FAQ

Mar 01, 2012 How do I find the download progress thingy after accidently closing ie9 while downloading Win8 preview? It's still downloading as I can see the size of the.

1. progress
2. progressme
3. progressive web apps

Click on the Downloads button to open the Downloads panel The Downloads panel displays your three most recently downloaded files, along with its size and download status: To see all of your downloads at any time, go to the Library by clicking.. If you don’t see a file, pull down to refresh the file view If you don’t see a file, pull down to refresh the file view.. During a download, the Downloads button gradually fills with color to show your download's progress.. To download or sync updates to your phone or tablet, launch the app and tap a file, or open the Offline files tab.

progress
